Martin's Dream Clayborne Carson 2013-01-08 On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy

What Is America? Vanester Pugh 2013-05-31 As I was growing up as a child in a remote hamlet in South Georgia in the early 1920s, I was always on the verge of blowing my mind, when I would try to fathom the unfathomable. That is, what I would see from day to day was a stark and ever present reality of a rigid line of demarcation of racism, an impregnable wall of separation between black Americans and white Americans, in a, so-called, land of the free and home of the brave. The country was as dark as a stormy midnight. It was so lightless that black Americans could not behold even a dim glow of freedom, justice and equality. However, white citizens could cross the line of separation at their pleasure and demean and trample upon the rights of black citizens, without any consideration of punishment. On the other hand, black citizens had been harshly schooled and mandated, over the years, to tolerate racism and its pernicious and uncivilized side effects, in order to survive. Therefore it was almost impossible for black Americans to find any moral or ethical ground to put their weight upon, in a nation that was always teetering on the brink of imminent moral bankruptcy, because of its gross inhumanity to black Americans, bona fide citizens of the United States. And for an eternity of 188 years, the United States, several parcels of disproportional, wayward and incongruous commonwealths, was bare of a moral compass, nil of empathy and compassion, and as inflexible as steel against the civil rights of black Americans. The country was so vile that it became ashamed of its own vileness and tried to hide its foulness behind the fig leaves of lofty and sublime words and phrases such as, One nation under God, indivisible, with liberty and justice for all, and with Gods endowment of Life, Liberty, and the pursuit of Happiness, for all men and women who are created in the image and likeness of God.

Martin Luther King, Jr., and the Theology of Resistance Rufus Burrow, Jr. 2014-12-31 It has been nearly fifty years since Martin Luther King, Jr., was assassinated at the Lorraine Motel in Memphis, Tennessee. Appraisals of King's contributions began almost immediately and continues to this day. The author explores an astonishing number of King's chief ideas and social-ethical practice: his concept of a moral universe; his doctrine of human dignity; his belief that not all suffering is redemptive; his brand of personalism; his contribution to the development of social ethics; the inclusion of young people in the movement; sexism as a contradiction to his personalism; the problem of black-on-black violence, and others. Burrows' essays reveal both the strengths and the limitations in King's theological socio-ethical project, and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world.

Martin Scorsese and the American Dream Jim Cullen 2021-06-18 More than perhaps any other major filmmaker, Martin Scorsese has grappled with the idea of the American Dream. His movies are full of working-class strivers hoping for a better life, from the titular waitress and aspiring singer of *Alice Doesn't Live Here Anymore* to the scrappy Irish immigrants of *Gangs of New York*. And in films as varied as *Casino*, *The Aviator*, and *The Wolf of Wall Street*, he vividly displays the glamour and power that can come with the fulfillment of that dream, but he also shows how it can turn into a nightmare of violence, corruption, and greed. This book is the first study of Scorsese's profound ambivalence toward the American Dream, the ways it drives some men and women to aspire to greatness, but leaves others seduced and abandoned. Showing that Scorsese understands the American dream in terms of a tension between provincialism and cosmopolitanism, Jim Cullen offers a new lens through which to view such seemingly atypical Scorsese films as *The Age of Innocence*, *Hugo*, and *Kundun*. Fast-paced, instructive, and resonant, Martin Scorsese and the American Dream illuminates an important dimension of our national life and how a great artist has brought it into focus.

Two Books in One Poetry Curtis Greasley 2016-07-23 My poetry book is comprised of spiritual and nonspiritual poems. I consider it to be two books in one. I do believe that there is something in my book for everyone. The spiritual poems can be used to praise the Lord and develop ones trust in the Lord, and its about praising and giving thanks to the Lord. Its spiritually uplifting. I strongly believe I have been called by God to do his work and that it may be through poetry. The nonspiritual poems consist mostly of free-style poetry, and one can read and feel the passion in them. I welcome everyone to read my book of poetry.
